We will have Sunday school at 9:15 AM with one worship service at 10:30 am followed by a congregational meal.

More information will be coming this month so that you might prayerfully consider how you will participate in Christ's mission through Grace with your time, talents, and treasure.

## FROM THE PASTOR

As we come to October, school-year ministry has been off and running for a month. Youth groups — including the new Grace Kids for elementary aged students — have been meeting, Milestones have been marked for some of our Sunday schoolers, classes and Bible studies are off and running, and small groups are going well. Music groups have been rehearsing and adding to the worship services.

There are many ways to be involved at Grace to grow your faith, build relationships, and serve God. I would encourage you to think about how you will actively do one or all of these things in this ministry year. Each of you is important to this community of faith. God has called you here for a reason. You are needed at Grace. It might be you are needed to be a part of the worshipping community gathered on Sunday morning. It might be you are needed to share a skill or talent. It might be you are needed to lead. All of us have been called here to grow our faith and serve God. Whatever it is, I encourage you to be engaged and involved. We have a wonderful extended family of faith and you are a part of it.

Toward mid-October, our Stewardship Committee will ask us to intentionally think about how we are growing our faith and service to God through the three traditional aspects of Time, Talent, and Treasure. This month and into early November will give you opportunity to reflect and act on how God is using you for his work and his kingdom.

We celebrate this month — from our united effort to serve our neighbors *Soup & Pie* while helping ministries that serve so many to encouraging our sophomores as they affirm their baptism in the Confirmation service committing to following Jesus in the world. In between these events we will have the usual stuff going on — the activities of the congregation. It is a joy and a privilege to be a part of this place and to serve our gracious God with you.

Blessings on your October!

Pastor Siri

Her family was so isolated from mainstream society that there was no one to ensure the children received an education, and no one to intervene when one of Tara's older brothers became violent. When another brother got himself into college, Tara decided to try a new kind of life. Her quest for knowledge transformed her, taking her over oceans and across continents, to Harvard and to Cambridge University. Only then would she wonder if she'd traveled too far, if there was still a way home.

### NEW SMALL GROUP—GRACE GAMES

To do that we invite you to engage in our refresher course offered during this morning's Gathering—SHEPHERDING 101. Come share your questions, ideas, successes, discomforts, what worked and what didn't work so well. Some of us have been Shepherding a long time, some are brand new—asking what do I do now? We need each others' input -- we invite you to come and share our table conversations in this short course. (We do promise NO quizzes and NO grades ). We look forward to being with you in the Fellowship Hall between services on Oct. 13.

I would like to "thank" my church family for their prayers, cards, food, rides, cleaning my flower beds and a special "thank you" to Pastor and Rita for their visits. You are a special caring family!

**Ruth Lone**
